## Activity Options

### Fishing:

Try catching bluegills and/or trout in Watershops Pond with the help of expert instructors.

### Canoeing:

Learn to steer and paddle effectively. Navigate the waters of Watershops Pond in silence and comfort. Canoes are ideal for wildlife watching and fishing.

### Archery:

Learn to shoot with skill and precision. Our expert instructors will have you on target in no time.

### Nature Photography:

Magic is in the eye of the photographer who can capture miracles in any setting. Internationally known photographer and artist, Randy Julius will guide you in this adventure. You provide the eye; we'll provide the cameras.

### Exploring Nature with Children:

Take a close look at some of the wonderful plants and animals around you. Learn where to look and how to help children discover outdoor wonders with biologist and naturalist Tony Symasko.

### Lovin' Dutch Ovens:

If you had only one pot — you'd want a Dutch Oven. Virtually unknown in the northeast, Dutch Ovens are the focus of many national outdoor cooking competitions. This cooker stews, bakes, grills and does it all outdoors keeping your house cool in summer — and providing an extra stove in winter. Best of all it's easy and fun!
